Quota 1 admissions are allocated according to the grade point average of an upper secondary education. The grade point averages needed for admission will be published at the end of the admission process each year.

Quota 2 admissions are allocated according to our quota 2 criteria, which you can find [here](#). Zealand will make an overall evaluation and rating of the applicants, which we may supplement with an admission interview.

All full-time programmes at Zealand contain an obligatory internship period that lasts between 10 and 40 weeks.
