Moodle – in general

Moodle – your new online learning platform

- Moodle is the main online learning platform during your studies at Zealand!
- Your future courses will also have specific rooms in Moodle
- In other words: you should become familiar with Moodle as soon as possible!
- **How to access Moodle?**
 - Text message with login details to Moodle
 - when you have been assigned to your class
 - **NB!:** Text message will be send to the phone number you have registered in your application.
 - In case you haven't received login yet: contact the admissions office: optag@zealand.dk / 0045 50762830

What kind of information is available at "Welcome Zealanders" ?

Main aim with "Welcome Zealanders": To prepare you for your future studies by gathering all information relevant for your study start in one place

- Only information about the study start
 - Other information will be available elsewhere on Moodle
- Collection of information regarding:
 - *Practical issues* relevant for your study start/studies (Welcome letter, Intro programme, study calendar, Books and equipment)
 - *Social life* (Student life, Social initiatives, student councils etc.)
 - *How to get settled in Denmark* (accommodation, CPR-number, Tax card etc.)
